A JOURNEY OF GRATITUDE: THE STORY OF DIVINE ASSOCIATES LTD

Celebrating Milestone and Success

What began as a modest vision has evolved into Divine Associates Ltd, which has become a respected name in visa services and education consultancy. This journey has been shaped by the passion of our dedicated team and the lasting trust of our clients. Each student we guide and every successful visa case reflects our commitment to excellence. Our foundation rests on integrity, reliability, and a relentless focus on client satisfaction—values that continue to distinguish us in the industry.

Looking Ahead with Vision

As we look toward the future, Divine Associates Ltd is ready to reach new milestones. We aim to broaden our international presence, create greater access to quality education, and contribute meaningfully to the communities we serve. With a forward-thinking mindset, we remain open to new possibilities that drive sustainable growth.

Powered by Innovation

Innovation lies at the heart of everything we do. By adopting advanced technologies—including digital platforms, AI-driven solutions, and blockchain-based processes—we have enhanced efficiency and elevated the client experience. These advancements enable us to deliver smarter, faster, and more transparent services while staying ahead in an evolving global landscape.

With Sincere Appreciation

We sincerely thank our clients, partners, and the Divine Associates team. Your trust, collaboration, and unwavering support have been instrumental in shaping our success and strengthening our legacy.

Looking Forward—Together

Divine Associates Ltd is more than an organisation; it is a shared vision driven by purpose and possibility. We invite you to be part of our continued journey as we transform aspirations into achievements through innovation, dedication, and collective success.

TEFL COURSE

Divine Associates Ltd

**In Partnership with ITTO
By Divine training**

**Get TEFL Certification, Teach
English Online, Job Offers Worldwide!**

**Tailored for those who live the fantasies
that others pursue!**

The TEFL course is one of the most competitive, rigorous, and internationally accredited programs available worldwide. The course covers 140 hours (20 hours beyond the requirements of the international community) over four weeks. The program goes above and beyond the requirements of the international community; employers favour our graduates over those from other programs. The course incorporates latest teaching methodologies, such as blended learning, the use of Technology in the Classroom, Apps in EFL/ESL, Content Language Integrated Learning (CLIL), etc.

**The curriculum is divided into
five key areas:**

1. Classroom Management
2. Teaching Skills
3. Language Awareness(Grammar)
4. Phonology
5. Teaching Practice

GUARANTEED JOB PLACEMENT

A TEFL certificate gives you an advantage over other candidates seeking English teaching positions abroad. If your goal is to teach and travel internationally, take advantage of our TEFL-paid job placement network, designed to secure your ideal teaching opportunity.

TEFL Certificates demonstrate to employers that you have been trained and are familiar with the skills and methods of teaching English, making you a stronger candidate than non-certified applicants.

Holding a TEFL certificate will undoubtedly become a worthy added value to your CV over non-certified teachers, as TEFL certification is increasingly a standard requirement for English teaching positions. You will also receive the benefit of our permanent Guaranteed Job Placement program.

We are able to guarantee graduates paid teaching positions practically in all major cities around the world through our network of associate schools and our Lifelong Guaranteed Job Placement program. You will receive comprehensive job guidance during the course to help you determine what setting and context will best suit your needs.

The following is a break down on the job placement process:

Step 1: Provide a list of up to five cities where you would like to work.

Step 2: Our job placement specialist assists you in integrating a CV specifically designed for the EFL market and destination objectives.

Step 3: Through our job guidance sessions, you are oriented and informed on how to secure jobs through proven successful interview techniques.

Step 4: Our placement team contacts schools on your behalf, schedules interviews, and provides professional feedback.

Includes:

Resume analysis report

ESL-specific CV and cover letter

Practice interviews with professional feedback

Step 5: Interview with employers via phone, Skype, or in person in Guadalajara.

Step 6: You choose the job that best fits your TEFL career goals.

A JOURNEY OF LEARNING AND EXPLORATION

Internationally Accredited TEFL Course in Guadalajara, Mexico

Attend your 4-week, internationally accredited TEFL course in Guadalajara, Mexico. Our facility is safe and furnished with all the tools you need to finish your training, including interactive whiteboards, WiFi internet access, and the latest e-learning materials.

Global Teaching Opportunities: Your Path to Success

With an employer network of over 13,000 schools worldwide, we can place you anywhere you wish to teach. Over 4,500 graduates have been successfully placed in the destination they have always wanted, and not only once; we have graduates who have been teaching abroad non-stop for over 9 years. We offer a lifelong paid job placement service to all of our graduates.

Embrace the World: The Value of Travel

Explore any part of the world you feel like visiting. It has been said that the only investment that can make you genuinely richer is travel. Experiencing new cultures and customs, meeting new people, and learning languages are all things that will make your life on this blue orb in space that we call home meaningful and truly rich. Our motto is Inspiring Education & Travel: Your Adventure Awaits.

It's that simple:

Enrol in our 4-week TEFL course, receive support in securing employment in your preferred destination, and begin your journey of teaching and exploring the world.

ONE OF THE MOST COMMON QUESTIONS IS WHERE ENGLISH TEACHERS ARE IN DEMAND?

The demand for English teachers worldwide simply does not go away—in fact, it keeps growing every year. To illustrate this need, consider these statistics: 80% of the information on the internet is in English, but less than 10% of the world's population speaks the language.

Our team provides clear guidance based on real placement experience. With over 14 years of placement experience, We have placed over 4,500 graduates. To get a sense of what to expect from living abroad, check out the following location profiles.
